### Gold - Firms

"Harmsen Utescher is a fantastic IP firm with a great reputation on the market." Founded in 1895, the IP boutique is one of the largest and oldest groups in Germany, representing patrons on both sides of the contentious and non-contentious divide. One key patron is Formula One, which enlists the team for prosecution work, in addition to opposition and cancellation actions before the EUIPO. **Karin Sandberg** takes the lead on this set of instructions. "Karin is always available, pragmatic and gives great guidance. She knows how to easily explain even the most complex of matters, while keeping an eye on costs. Karin is extremely client focused and is a pleasure to work with." Focusing on the pharmaceutical sector are **Rainer Kaase** and **Andrea Marx**. "Rainer is an experienced and knowledgeable lawyer with excellent negotiation skills. He is professional, charming and has a very good reputation on the market." Marx heads the prosecution department and is at her best when advising patrons on their international portfolios and strategies. Additional quality is provided by **Till Lampel**, **Martin Kefferpütz** and **Christoph Schumann**. "Till is an exceptional lawyer who provides a high-quality and prompt trademark prosecution service. He has an impressive international network, is an expert in all areas of IP and is also reliable and cooperative." "Martin is simply one of the best IP lawyers in Germany. He is a very experienced, client focused and strategic practitioner." "Christoph is highly experienced, knowledgeable and adopts a pragmatic approach. He is fair, hardworking and client oriented."
